

We are ready to help you find a room if necessary.

For those having trouble finding a room . . .

If you are having any problems like the following, please do not hesitate to contact the Housing Section of the City Government Office:

- The rent is too expensive to continue living in your current accommodation.
- You have been told to leave.
- You want to conclude an apartment contract but have no guarantor.

Content of assistance

We will accompany you when you visit a real estate agent, go to see a vacant apartment, etc.

Eligibility

Persons living in Nishitokyo City who cannot find an apartment or are unable to renew a contract..

How to apply

Please visit the counter of the Housing Section of the Nishitokyo City Government Office.

You will be asked about your housing preferences and current situation.

◆What you need to start looking for a home . . .

- Be able to move as soon as you find a place.
- Be able to pay moving costs and other initial expenses.
- Have your own phone.
- Have someone to contact in an emergency.
- If you are receiving livelihood protection, please consult your caseworker.
